SUMMARY

Motivated **B.Tech CSE (AI & ML)** student with a strong foundation in data science and software development.

Experienced in transforming raw datasets into actionable insights through cleaning, visualization, and reporting using **Python, Excel, and Power BI**. Proven track detail in building **Machine Learning** models and **NLP-based applications**, such as automated FAQ chatbots. Skilled in using developer tools like **Git and GitHub** to manage technical projects and collaborating within teams to solve complex problems.

SKILLS

Technical Skills: Programming (Python); Data Tools (Excel, Power BI, Pandas, DBMS); Developer Tools (Git, GitHub, Visual Studio code)

Soft Skills: Communication, Problem-Solving, Teamwork, Time Management, Adaptability

EXPERIENCE

Data Analyst Intern – Google , Gurugram

June 2024 – July 2024

- Collected, cleaned, and analyzed datasets for social impact initiatives
- Created dashboards and reports using Excel and Power BI

Full Stack Development Intern | Sai Instrument Services

June 2025 – July 2025

- Developed and maintained end-to-end web applications using a full-stack approach.
- Integrated frontend interfaces with backend logic and managed database operations using DBMS.
- Collaborated on designing scalable web architectures and ensuring seamless user experiences.

PROJECTS

- IoT Smart Energy Monitoring System
- Smart Dustbin Waste Segregation System (IoT + ML)
- Stock Price Prediction System

EDUCATION

K.R. Mangalam University

2023 – 2027

- B.Tech CSE (AI & ML), GPA: 7.21

Orchids International School

2022 – 2023

- Class 12 (Science), 72%

Polkaji Shikshan Sansthan

2020-2021

- Class 10, 69%

CERTIFICATIONS

- Full Stack Web Development Certification | Sai Instrument Services
 - IoT Workshop Certificate | Kurukshetra
 - Data Analyst Certification
-
